MESSAGE FROM THE EXECUTIVE DIRECTOR

**"We cannot always build the future for our youth,
but we can build our youth for the future.**

-Franklin D. Roosevelt

Thank you for your continued support! I cannot help but to start 2020 off right by saying thank you for participation and contributions since our start in 2018. Because of the growing community partners and youth participation GreaterGenerations is successfully entering year 3.

Next I would like to thank the members of the G2 Board;

Brad Mossing- Chief of Operations

Brian Roush- Treasurer

Amy French- Secretary

40+ Community Partners

I am honored to be supported by such dedicated individuals. Thank you for such a great start.

We are not finished yet! What better way is there to show appreciation than by increasing program and continued shared resources. Expect more jobs and activities for youth, scheduled annual events, and more community involvement.

As always, I look forward to the next promising year with our existing G2 family and the new members to come.

YEAR AT A GLANCE

2019 RECAP

Our year began with a grand introduction into the community at the 1st of the year. We continued into February with our annual African American History of Art contest, winner received 2 movie tickets.

By April we held our 2nd SHOOT POOL NOT GUNS tournament. In case you have not been able to join us, lets explain exactly what SPNGs is. This tournament is a fundraiser to raise awareness of Juvenile gun violence. It is not in any way a position for or against the right to bare arms. Our goal is to provide gun safety to any families. All proceeds support the participants and activities of the Outdoor Maintenance Volunteer Program. Funds are regularly used for Youth Workshops and 1st time bank accounts.

Spring N2 Summer with OMVP! May and June was the launch of our spring cleaning campaign for the Outdoor Maintenance Volunteer Program. We were able to reach 10 active working participants and 20 attending workshops and events. We thank the Polish-American Committee and H-Factor Jazz Committee for inviting us to participate in their festivals. We look forward to returning each year.

For the 4th of July, G2:Community Partners Initiative hosted the 1st annual Independence Day Family Picnic. This event is a planned family activity to encourage parental involvement, family and neighborhood unity, and community involvement. Gracious thanks to our sponsors Bill Art, Phantom Fireworks, The New Me Foundation, City of Toledo Parks

and Recreations, and all the families and volunteers who participated in the event.

As our summer ended and fall began, OMVP announced the Fall leaf pickup schedule and availability for service requests. Followed by our favorite time of year, the 2nd annual YOUR 1ST BAG Halloween Alternative. Just like last year G2 and the participants of OMVP traveled to a different library each Saturday for 3 weeks to give kids their very 1st bag of candy for the season from us. Our thanks to Steve Tracy of Seaway Market Place, Lena's Sweet Treats, Peter Hildebrandt, Sierra Webb and the various library branches who participated.

What a year! But wait there's more....

Things are just getting started for GreaterGenerations and the participants of the various programs offered. Annual events and activities are returning and all programs will be fully active.

2020 GOAL

This is our year! 2020 is the year for us to solidify our place in the community. We are more than half way to goal of expansion into neighboring cities with 40 Community Partners. Our growth will continue by building a firm financial foundation and continued community involvement and collaboration.

2019

Thank you for your continued support! It was our returning sponsors and individual donations that guaranteed the success of year two. In addition to the wonderful youth participants who made our impact a reality.

2018

What a great start! We are thankful for those whom have been a part of G2 from the very start. It is your support that allowed mission to be introduced into the community.

PROJECT UPDATES

2020 PREVIEW

There is a lot to look forward to during Spring and Summer of 2020. All annual events will be back and better than before.

SHOOT POOL NOT GUNS

January 2020 was as success as always. The African American History Art contest is accepting submissions until February 28th.

Returning this Summer will be the Independence Day Family Picnic and the OMVP Youth Car Wash.

As always, the OMVP services will continue year round. And we look forward to returning to participate in annual community events.

GreaterGenerations is here to stay! And we thank you for being a part of our journey. Stay up to date with programming and community resources by visiting us at:
